7th African Rift Geothermal Conference (ARGeo - C7)

Geothermal Energy: Solution to Africa's Energy Needs

1. ARGeo - C7

The Government of the Republic of Rwanda will host the 7th African Rift Geothermal Conference (ARGeo-C7) in partnership with UN Environment, Ministry for Foreign Affairs Iceland, Directorate for International Development Cooperation (MFA-ICEIDA), The United Nations University - Geothermal Training Programme (UNU-GTP), African Union Commission (AUC) and the International Geothermal Association - African Regional Branch (IGA-ARB).

The conference will be held at the Kigali Convention Center in Kigali, Rwanda from 29 October – 4 November 2018. The main conference will be held on 31st October – 2nd November 2018. Four Parallel Geothermal Pre-Conference Short Courses will be held on 29-30 October 2018. A Post conference field trips to Rubavu will also be held on 3-4 November 2018.

The six previous biennial conferences were held in Ethiopia (2006), Uganda (2008), Djibouti (2010), Kenya (2012), Tanzania (2014) and Ethiopia (2016). An average attendance of these conferences was about 500.

The aim of this biennial conference is to promote regional cooperation, create an information exchange and networking platform on the exploration, development, utilization and investment of the geothermal resources in the region and elsewhere in the world.

The conference will provide opportunities for exhibitors to showcase their projects, products, equipment and services. It will also be an opportune time for business networking with lead personalities and institutions in the geothermal sector from Africa and elsewhere in the world.

In order to expedite geothermal energy resource development in Africa, various innovative geothermal support programmes have been initiated in the East Africa region. The UN Environment-ARGeo Programme is one of those programmes where its main objective is to catalyse investments in geothermal exploration and development in the region. The UN Environment ARGeo programme, through one of its project components, i.e regional networking and information systems, supports countries to host and organize the biennial regional geothermal conferences in coordination with other geothermal support programmes and partners.

Main Conference: 31 Oct-2 Nov 2018
Post Conference Field Trips: 3- 4 Nov 2018

3. Why Attend ARGeo -C7:

Mother Nature has bestowed our continent with the abundance of geothermal resources. It is now our duty to develop these God given resources and thus spur development in this region. There is no doubt that we are in a 'Geothermal Era', and we need to harness this resource now with the urgency it deserves. In this context, this conference will give the opportunity to create a platform to discuss on how to fast track the development of geothermal resource in the region. Further the conference will create a platform to:

»» Gain valuable knowledge and insight into new market developments and discover East African case studies from both local and international speakers. Customize your attendance by including a pre-conference short courses and site visit into your conference package.

»» Save months of due diligence by talking to hundreds of geothermal experts and solutions providers in just 3 days which saves time. Attend technical workshops and product demonstrations, discover special offers and find the products that meet your needs.

»» Connect, create and expand your circle of influence and contacts through dynamic networking opportunities at various stages of the event.

»» ARGeo conferences are part of our global and regional brand of African geothermal events. Benefit from our diverse portfolio of regionalized events, by becoming a strategic partner.

»» Benefit from ARGeo partnerships and strategic alliances with the industry's key players we have established over the years. Meet with African utilities, government, IPPs, developers, contractors, solution providers, financiers and investors.

4. What are the benefits for Sponsor/Exhibitor:

This conference provides an opportunity to establish relationships and raise exhibitors/sponsors company profile in the region.

Taking sponsorship or an exhibition stand is the most targeted and cost effective way of reaching key industry decision makers. With an audience of government, geothermal developers, investors and energy companies, ARGeo-C7 is the ideal platform for you to meet the right people face to face and create new business relationships that are vital in consolidating your business' position in the geothermal industry.

You will:

- Connect and gain access to key decision makers
- Meet new clients and reaffirm relationships with existing ones
- Understand the needs of potential clients and tailor your services to meet them
- Establish your company's position amongst industry movers and shakers
- Benchmark your strategy with other major solution providers;
- Make the right connections to ensure the future success of your business.

Sponsors' logo will feature on the event website, brochures and marketing materials to be seen by thousands of industry professionals throughout the year and worldwide.

Take early advantage and maximize your exposure. Don't let your competitors leave you behind: Varying levels of sponsorship are available to cater for your individual needs and marketing budgets.

Detailed benefits can be obtained by contacting: info@theargeo.org

REPUBLIC OF RWANDA

DIRECTORATE GENERAL OF IMMIGRATION AND EMIGRATION

PUBLIC ANNOUNCEMENT - NEW VISA REGIME

November 16, 2017

Reference to Cabinet meeting of 08.11.2017 that approved the establishment of new visa regime for the Republic of Rwanda, the Directorate General of Immigration and Emigration would like to inform the public the following New Visa Regime:

- Reciprocity** - Rwanda will grant visa free of charge with 90 days validity to the following countries on reciprocal basis: Benin, Central African Republic, Chad, Ghana, Guinea, Indonesia, Mali, Senegal, Seychelles and Sao Tome and Principe. This is in addition to Democratic Republic of Congo, East African Community Partner States, Mauritius, Philippines, and Singapore. This takes immediate effect.
- Visa waiver for diplomatic and service passports** - The Government of Rwanda has entered into Visa Waiver Agreement for holders of Diplomatic and Service Passports with Djibouti, Ethiopia, Gabon, Guinea, India, Israel, Morocco and Turkey. This takes immediate effect.
- 90 days visa upon arrival** - Citizens of all countries to get visa upon arrival without prior application, starting 01 January 2018. Before that, only nationals of African countries and few others were getting visa upon arrival.
- COMESA Member States to get 90 days visa upon arrival** - Citizens of COMESA member states to get 90 days visa on arrival (on payment of the prescribed fee) as provided by Article 4 of the COMESA Protocol on Free Movement of Persons, Labour, Services, Right of Establishment and Residence. Rwanda ratified the protocol on 13th July 2016. Currently, citizens of COMESA member states were getting 30 days on arrival as other holders of African Passports. This takes immediate effect.
- Rwandans living abroad with dual nationality allowed to use national ID as entry** - waive visa fee to Rwandans travelling on foreign passports in possession of a Rwandan Identity Card for countries that permit dual nationality only. Initially Rwandans travelling on a foreign passport in possession of a valid Rwandan passport were the only granted visa free on arrival. This takes immediate effect.
- Foreign residents to use their Resident ID cards for entry** - returning residents holding valid residence permits with corresponding resident cards will be allowed to use them on entry, including using electronic gates (Automated Passenger Clearance System) at Kigali International Airport.
