

# EGPD 2021

12<sup>th</sup> edition

February 15-16<sup>th</sup>

2021

SAVE THE DATE

VIRTUAL

  
**European  
Geothermal  
PhD Days  
2021**

## Geothermics in a critically stressed crust

1. Reservoir geomechanics / reservoir management

2. Earthquake mechanics

3. Faults characteristics and properties

4. Modelling of geothermal processes

Applied geothermal case studies and site visits

**20 selected abstracts  
per session**

**FREE REGISTRATION  
online**

**Abstract submission deadline:**  
**November 30<sup>th</sup>**

**Registration close:**  
**December 31<sup>st</sup>**
